Dear Sir/ Madam,

It is with immense pleasure that we invite a delegation from your esteemed institution to participate in the **12<sup>th</sup> Annual Session** of the **Sri Lanka Model United Nations** conference which is scheduled to be held from the **5<sup>th</sup> to the 6<sup>th</sup> of October 2019**, at the **Bandaranaike Memorial International Conference Hall (BMICH), Colombo, Sri Lanka**.

SLMUN 2019 will operate on the theme of **“Youth Activism and Volunteerism”**

From its humble beginnings in 2005 as a simulation of the SAARC, the conference has grown exponentially. Having been successfully organized for fifteen consecutive years (SAARC [2005-2007] and SLMUN [2008-2019]), Sri Lanka Model United Nations attracts over 1000 high school students. This makes SLMUN the most representative youth model UN conference in South Asia.

Sri Lanka Model United Nations provides a platform for students all over Sri Lanka to voice out their opinions regarding various issues that encompass the globe while exercising and cultivating their skills in leadership and diplomacy. We believe a conference of this caliber bears the potential of launching the careers of several diplomats and moreover- gives the youth the opportunity to be actively involved in discussing and attempting to solve prevalent crisis' around the world. This will prepare them to better face and ameliorate the global issues which they will inherit from their predecessors whilst garnering their abilities in leadership and the compromises it entails within a practical and stimulating environment.

Apart from consistently being successful in providing a unique and innovative experience of diplomacy and debate to delegates, SLMUN has managed to harness and channel the energy within our conference into tangible social work through our CSR projects- 'One World' and 'Diplomatic Sri Lanka Initiative' along with our leadership program Project L.E.A.D as a means of creating future leaders as well as diplomats in the rural and urban areas of the Island.

To commence registration, an electronic version of the Institution registration form must be filled. This can be accessed by logging on to [www.slmun.org](http://www.slmun.org)
